

PONTIAC SCHOOL DISTRICT HOSTS VIRTUAL HAIR-A-TAGE EVENT

On February 26, 2021, Pontiac School District hosted a virtual Hair-A-Tage event in honor of Black History Month. Parents, students, and community members joined into a virtual Zoom gathering to share their hair journeys while also watching local skilled barbers perform their magic. Professional Barber, Michael Houston, from Soul Faded Barbershop in Pontiac, Michigan shared the experiences of his profession. Parent, Jeremy Medlock, showcased his expertise live with his son Jayden Medlock.

Individuals that attended this enriching event gained insight on exceptional hair skills, products, and careers within the field. There was an abundance of happiness, connectedness, and laughter. It was a HAIRTASTIC time!

Join us this month for the "Go Green" event where parents and students will discuss being eco-friendly and financially friendly.
