

Hello PSD Families,

We just wanted to let you know that the stadium area will be completely off limits to everyone (staff, community, students, etc.) effective Monday, October 1, 2020 until next September 2021. This closure is due to the reconstruction and improvements that are being done to the facilities. We appreciate your help in ensuring that they can get this work done quickly so that we can all use the improved stadium next fall. Thank you in advance for your cooperation and we can't wait to see it when it is all done!
