Principal's Corner

We would like to thank all parents for logging your students on to learn virtually. Kennedy currently has 97% of the students logged on for virtual learning to be educated. We celebrate parent involvement for our success! School is up and running. Parents should have a copy of their students' daily schedules from their teachers. All of the classrooms are providing academics, social skills, Community Based Instruction, Work Based Learning and gym. Specials are being offered, Art and Music Therapy. If you do not have a schedule contact your child's teacher. We are in the process of obtaining funds for all classes to receive Art/Music Therapy.

If at any time you need to reach me, please call me at the school (248) 451-8040.
